

## REGULATION OF WOLFRAM RESEARCH AWARDS FOR THE YOUNG RESEARCHER BEST PAPERS

1. Two Full Mathematica hybrid license desktop+cloud; including also the 1-year subscription to Wolfram | Alpha Pro, will constitute the Wolfram Research Awards to distinguish the two best papers presented at the Conference written by young researchers.
2. Researchers can apply up to 40 years of age on 31/12/2024 or those who obtained a PhD for less than 10 years on 31/12/2024.
2. Researchers who wish to apply for the Award must submit, along with the paper, a statement of honor that they are in the preceding paragraph conditions and a note, not exceeding one A4 page, summarizing the reasons they judge their work worth of distinction.
3. Professor Carlos Alberto Mota Soares, Professor Emeritus of the University of Lisbon, chairs the Jury of the Wolfram Research Awards for the Young Researcher Best Paper.
4. The Jury will award two WOLFRAM RESEARCH prizes.
5. The Jury is sovereign in the decisions taken and it may seek clarification and advice about the works presented, to whom it better considers.
6. The Jury reserves the right not to award any prize if it considers that none of the papers presented meets the minimum quality requirements.
7. If the winning work has more than one author, the prize will be attributed to the first author.
8. The winners will be announced during the conference dinner.
