

For those participants who will participate in presential mode, some additional notes regarding the access to the place (Building C, 3rd floor) where the conference will be held:

- ISEL has two entrances, the main entrance who serves vehicles and pedestrians, in R. Conselheiro Emídio Navarro 1, 1959-007 Lisboa, and the entrance quite close to the metro station, only for pedestrians, in Av, Dr. Augusto de Castro.
- The entrances and the walking access to the conference place (Building C, 3rd floor) coming from each are shown in the images next.

ISEL main entrance

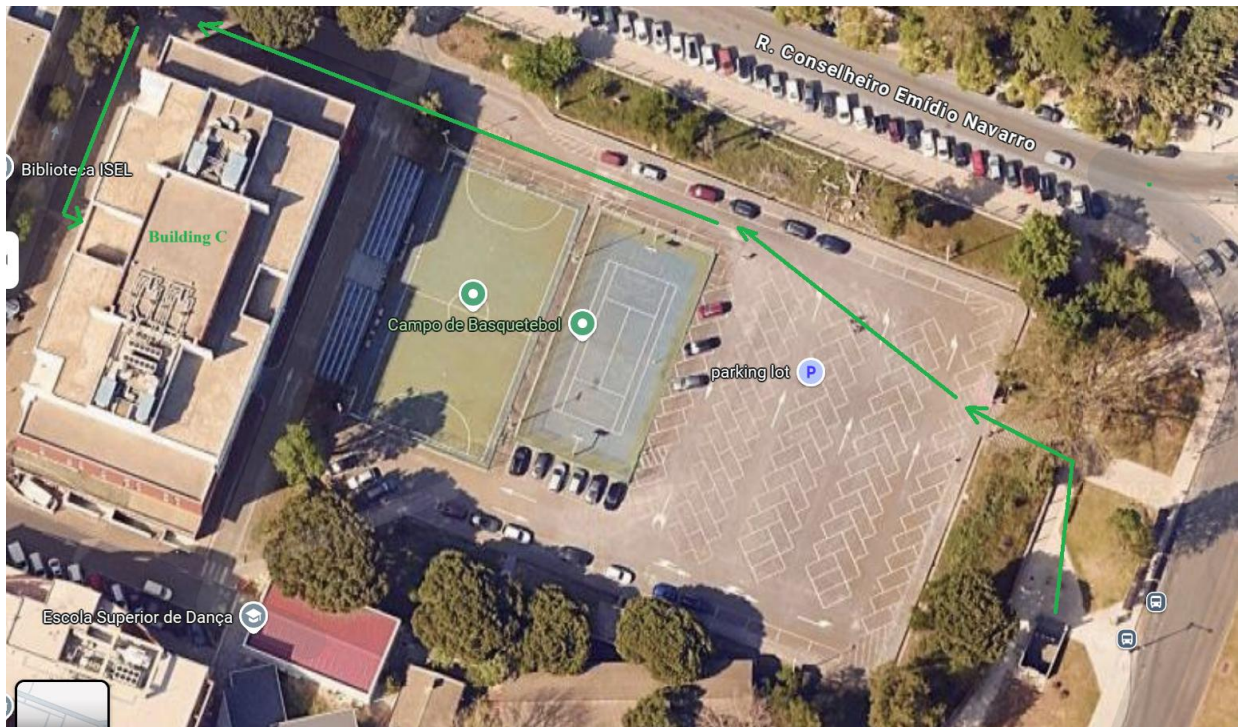

Walking path to conference, arriving to the main entrance

ISEL entrance near metro station

Walking path to conference, arriving to the metro station
